SREE BALAJI COLLEGE OF NURSING

ANNUAL REPORT

2023-2024

MESSAGE FROM PRINCIPAL DESK

"It is with great pride and pleasure that I present to you our annual report for the academic year 2023-2024. This report highlights the achievements and milestones of our institution, and I am delighted to share our progress with you.

The past year has been a remarkable journey for our college, marked by significant accomplishments in academics, research, and community service. Our students have excelled in their studies, with many achieving top honours and distinctions. Our faculty members have been actively engaged in research, publishing papers in reputable journals and presenting at conferences.

We have also strengthened our partnerships with healthcare organizations, providing our students with valuable clinical experience and exposure to best practices. Our community outreach programs have made a positive impact on the lives of many, demonstrating our commitment to social responsibility.

As we look to the future, we remain dedicated to our mission of providing high-quality nursing education, fostering a culture of excellence, and preparing our graduates to make a difference in the lives of others.

I extend my gratitude to our faculty, staff, students, and stakeholders for their hard work, dedication, and support. Together, we have achieved great things, and I am excited to see what the future holds for our institution.

Thank you.

BRIEF BACKGROUND

OMC is a limited company established by Government of Tamil Nadu as early as 1978 with an authorized share capital of Rs. 50 lakhs. Its main object is to secure suitable overseas placements for the Indian professionals, skilled workers and others, who are desirous of securing jobs abroad. The Corporation also holds a valid registration certificate issued by Government of India, Ministry of Labour, as required under the Emigration Act, 1983, to perform the functions of a recruiting agency. The Corporation is governed by a Board of Directors comprising the following officials:

The Government of Tamilnadu realized the multiple advantages in meeting this demand. More Indians working abroad would mean greater inflow of foreign exchange, improvement in the quality of life of the families of such Indians and a step towards solving ever-growing unemployment problem. Also there is a large number of Indians aspiring to work abroad.

The Overseas Manpower Corporation Limited (OMC) was thus incorporated in 1978. The chief objective being promoting employment of Indian manpower in foreign countries. Since incorporation,
