MEGA MARATHON – VOTERS AWARENESS DRIVE 2026

MEGA MARATHON – A RUN FOR HONEST AND 100% VOTING

The NSS Unit of Sree Balaji College of Nursing actively participated in the Mega Marathon for Voters' Awareness held on 19 April 2026 in Chennai. The event was organized by the Greater Chennai Corporation in collaboration with the Indian Voters Association with the objective of promoting ethical voting and achieving 100% voter participation.

More than 3,000 participants, including students, faculty members, volunteers, and members of the public, enthusiastically took part in the marathon, demonstrating their commitment to strengthening democracy through responsible voting.

The marathon was ceremoniously flagged off by Mrs. Archana Patnaik, IAS, Chief Electoral Officer, Tamil Nadu, from Napier Bridge and concluded at the Marina Lighthouse, Chennai.

The enthusiastic participation of the NSS volunteers and staff reflected the institution's dedication to creating social awareness and encouraging every eligible citizen to exercise their constitutional right to vote responsibly.

Event Highlights

Event: Mega Marathon – Voters' Awareness
Date: 19 April 2026
Venue: Napier Bridge to Marina Lighthouse, Chennai
Organizers: Greater Chennai Corporation & Indian Voters Association
Participants: Over 3,000
Chief Guest: Mrs. Archana Patnaik, IAS, Chief Electoral Officer, Tamil Nadu

Theme: *Ethical Voting & 100% Voting*

Achievements

The participants from Sree Balaji College of Nursing successfully completed the marathon and were honored with Certificates of Participation and Commemorative Medals in recognition of their enthusiastic involvement and commitment to promoting voter awareness.

Media Recognition

The voter awareness initiative received coverage in Hindu Tamil Newspaper, highlighting the significance of the Mega Marathon and the active participation of educational institutions in spreading awareness about ethical voting and encouraging maximum voter turnout.

CLINICAL POSTING AT INSTITUTE OF MENTAL HEALTH (IMH), KILPAUK, CHENNAI

B.Sc. Nursing IV Year & M.Sc. Nursing I Year
Clinical Posting: April 2026

Overview

As part of the Psychiatric Nursing curriculum, 101 students from the B.Sc. Nursing IV Year and M.Sc. Nursing I Year programmes of Sree Balaji College of Nursing successfully completed their clinical posting at the Institute of Mental Health (IMH), Kilpauk, Chennai, during April 2026. The posting provided students with valuable hands-on exposure to psychiatric nursing practice under the guidance of experienced mental health professionals.

The students were formally oriented by Mrs. Ambika, Nurse Educator, who introduced them to the hospital's history, departments, safety protocols, patient care services, and the responsibilities of nursing students. The clinical posting was supervised by Dr. Ajitha Nancyrani R., Mrs. Dhanya K. Vijaya, Mrs. Bency Abraham, Mrs. Dhatchayani M., Ms. Isabel Monika N., and Mrs. Aswini L.

Orientation Programme

Students of Sree Balaji College of Nursing attending the orientation programme conducted by the Nurse Educator at the Institute of Mental Health, Kilpauk, before commencing their psychiatric clinical training.

Clinical Learning Experience

The posting enabled students to observe and participate in various psychiatric nursing activities, including patient assessment, therapeutic communication, medication administration, rehabilitation services, and multidisciplinary mental healthcare. Students gained practical exposure to comprehensive mental health services while strengthening their clinical competence and professional confidence.

Outpatient Department (OPD)

Students observing psychiatric assessment, counselling services, and patient management in the Outpatient Department under the supervision of mental health professionals.

Exposure to Specialized Mental Health Services

During the posting, students visited several specialized units of the Institute, including:

- Emergency Psychiatric Services
- Inpatient and Outpatient Departments
- Clinical Psychology Unit
- De-addiction Centre
- Dementia Caregivers Counselling Unit
- Child and Adolescent Mental Health Services
- Rehabilitation and Occupational Therapy Unit
- Male Acute and Chronic Psychiatric Wards
- Electroconvulsive Therapy (ECT) Centre
- Halfway Homes
- Community Mental Health Services
- Tele-MANAS Mental Health Support Services

These visits enhanced students' understanding of comprehensive psychiatric care, rehabilitation, and community mental health services.

Rehabilitation Services

Students observing rehabilitation and occupational therapy programmes designed to improve the functional independence and quality of life of psychiatric patients.

Electroconvulsive Therapy (ECT) Unit

Students receiving an educational briefing on Electroconvulsive Therapy (ECT), its indications, safety protocols, and role in the management of severe psychiatric disorders.

Psychiatric Ward Visit

Clinical exposure in the psychiatric wards enabled students to observe therapeutic communication, patient care, medication management, and multidisciplinary teamwork in mental health nursing.

Key Learning Outcomes

- Developed practical skills in psychiatric nursing care and therapeutic communication.
- Understood the management of common mental health disorders through multidisciplinary care.
- Gained exposure to psychiatric rehabilitation, de-addiction, and community mental health services.
- Learned the importance of patient safety, counselling, and evidence-based psychiatric interventions.
- Enhanced professional confidence while reducing stigma towards individuals with mental illness.

Group Photograph

Faculty members and students of Sree Balaji College of Nursing during their clinical posting at the Institute of Mental Health, Kilpauk, Chennai, reflecting their commitment to excellence in psychiatric nursing education.

Conclusion

The clinical posting at the Institute of Mental Health, Kilpauk, provided an enriching learning experience by integrating theoretical knowledge with practical psychiatric nursing care. The exposure to specialized mental health services, rehabilitation programmes, and multidisciplinary care significantly strengthened students' clinical competencies and prepared them to deliver compassionate, evidence-based mental healthcare in their future professional practice.

FACULTIES ACADEMIC ACCOMPLISHMENT

PRE-CONFERENCE WORKSHOP – CAHOCON 2026

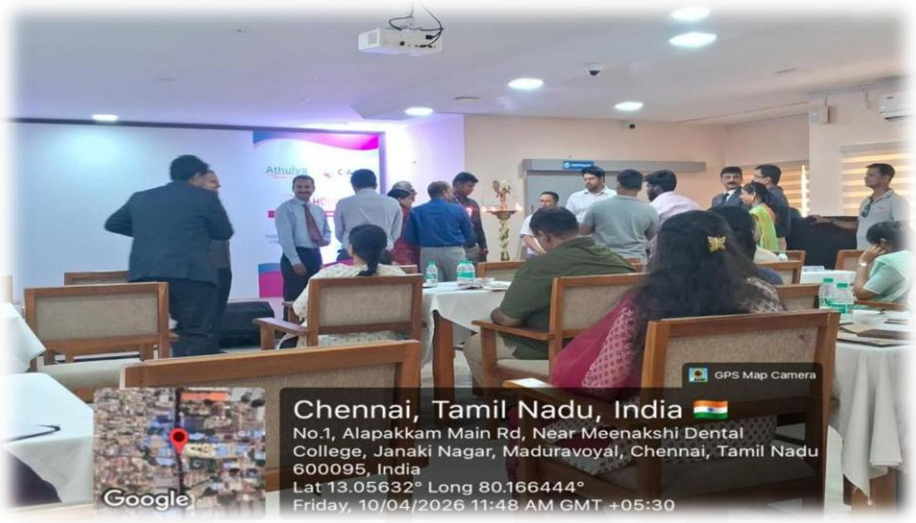

The Future of Aging Ecosystems: Unified Care Models for Every Stage of Senior Care

Date: 10 April 2026
Venue: Athulya Senior Care

Overview

Faculty members and students of Sree Balaji College of Nursing actively participated in the Pre-Conference Workshop of CAHOCON 2026, organized by the Consortium of Accredited Healthcare Organizations (CAHO) in collaboration with ISQua and the Asian Society for Quality in Health Care. The workshop focused on strengthening knowledge and skills in comprehensive geriatric care through innovative, integrated, and patient-centered healthcare models.

Inaugural Session

Faculty members and students of Sree Balaji College of Nursing attending the inaugural session of the CAHOCON 2026 Pre-Conference Workshop at Athulya Senior Care. The programme brought together healthcare professionals to discuss innovative approaches for improving the quality of elderly care.

Expert Lecture

An expert resource person explaining the concept of "**The Future of Aging Ecosystems: Unified Care Models for Every Stage of Senior Care.**" The session emphasized multidisciplinary collaboration, patient-centered care, and sustainable healthcare practices for the ageing population.

Practical Demonstration

Functional Training/Rehabilitation Demonstration)

A practical demonstration on **Functional Training and Rehabilitation for Senior Citizens**, highlighting exercises and therapeutic interventions that improve mobility, independence, and overall quality of life among older adults.

Group Participation

Faculty members and students of Sree Balaji College of Nursing with experts and organizers at the conclusion of the workshop, reflecting their enthusiastic participation and commitment to promoting excellence in geriatric healthcare.

Key Learning Outcomes

- Enhanced understanding of integrated healthcare models for senior citizens.
- Learned multidisciplinary approaches to optimize elderly health outcomes.
- Gained knowledge in geriatric assessment, rehabilitation, and long-term care planning.
- Strengthened competencies in patient-centered, evidence-based geriatric nursing.
- Explored quality standards and best practices in senior healthcare services.

Conclusion

The Pre-Conference Workshop provided an excellent platform for academic enrichment, professional networking, and experiential learning. Faculty members and students gained valuable exposure to emerging trends in geriatric healthcare, reinforcing their commitment to delivering compassionate, holistic, and high-quality care to the elderly.

TNAI Tamil Nadu State Election – 2026

Dr. V. Hemavathy Elected as Joint Secretary

Sree Balaji College of Nursing is proud to announce that Dr. V. Hemavathy, Principal, has been elected as Joint Secretary in the Trained Nurses' Association of India (TNAI), Tamil Nadu State Branch Election – 2026.

This prestigious achievement reflects Dr. Hemavathy's exemplary leadership, professional excellence, and unwavering commitment to advancing the nursing profession. Her election to this esteemed position is a recognition of her significant contributions to nursing education, professional development, and quality healthcare services in Tamil Nadu.

The management, faculty, students, alumni, and staff of Sree Balaji College of Nursing extend their heartfelt congratulations to Dr. V. Hemavathy on this remarkable accomplishment and wish her continued success in strengthening the nursing profession through her leadership in TNAI.

DESIGN PATENT ACHIEVEMENT – 2026

🏆 A Proud Milestone in Innovation

Sree Balaji College of Nursing has achieved another significant milestone in innovation and research through the successful publication and grant of a Design Patent during the academic year 2026. The institution filed 21 Design Patent applications, of which 4 patents have been granted, reflecting the college's commitment to fostering creativity, research, and intellectual property development among faculty members.

Patent Status
Published & Granted (06 April 2026)

Patent Class
Class 24-02 – Medical Instruments, Instruments and Tools for Laboratory Use

About the Innovation

The Wound Dressing Applicator Device is an innovative medical instrument designed to facilitate safe, hygienic, and efficient wound dressing procedures. The patented design aims to improve patient comfort, enhance infection control practices, and support healthcare professionals in delivering quality wound care.

This achievement demonstrates the institution's dedication to advancing nursing research and promoting innovative healthcare solutions.

CONTINUING MEDICAL EDUCATION (CME)

Paediatric Palliative Care – "Beyond Cure: Compassionate Care for Children and Families"

Date: 30 April 2026 (Thursday)
Venue: Rela Hospital, Chennai

Overview

Students and faculty from **Sree Balaji College of Nursing, Chennai** participated in a Continuing Medical Education (CME) programme on "**Paediatric Palliative Care – Beyond Cure: Compassionate Care for Children and Families.**" The programme brought together doctors, nurses, psychologists, social workers, and students from various healthcare institutions, providing an enriching multidisciplinary learning experience.

Expert Scientific Sessions

The CME featured insightful sessions by renowned experts:

Mrs. Stella Jacqueline Mathew
Founder & Managing Trustee, Golden Butterflies
Topic: Role of NGO in Paediatric Palliative Care
Dr. Daniel Raj
Palliative Care Physician, Cancer Institute (WIA), Adyar
Topic: Hospice Care in Paediatrics
Dr. Julius Xavier Scott
Director, Department of Paediatric Hemato-Oncology, RIMC, Chennai
Topic: Communication Skills
Mrs. Sophy Jegatheeshwari
Deputy General Manager, Nursing Department, RIMC, Chennai
Topic: Burnout and Self-Care
Additional sessions highlighted **symptom management, family-centred care, psychosocial support, and end-of-life care**, emphasizing a holistic approach to paediatric palliative care.

Distinguished Chairpersons

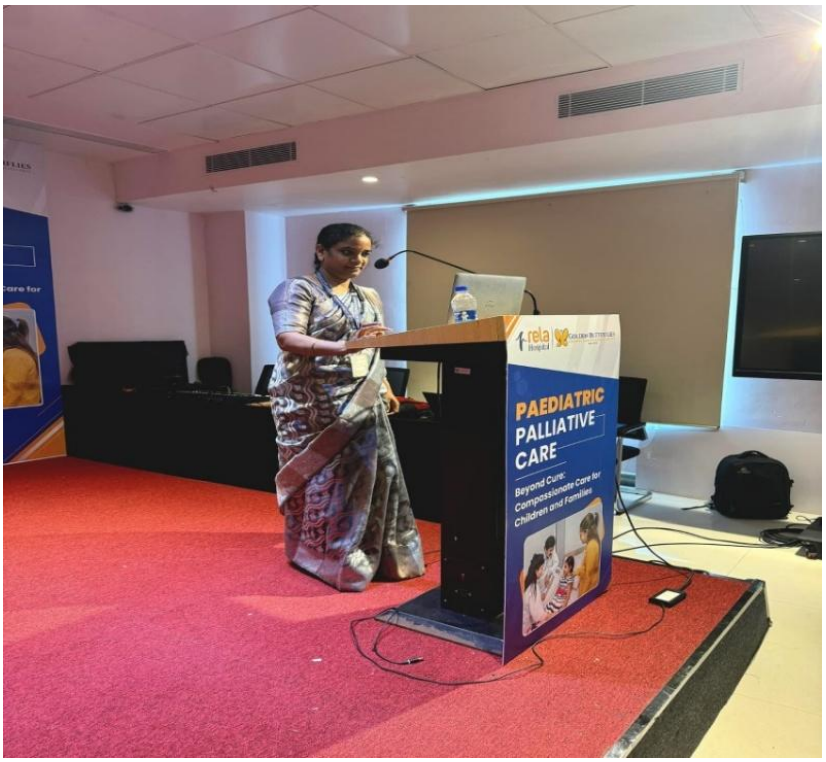

Dr. T. Ravi Kumar
Senior Consultant & Clinical Lead, PICU, RIMC, Chennai
Mrs. Tamil Selvi D
Professor, Department of Child Health Nursing,
Sree Balaji College of Nursing, Chennai
Student Participants
The following students represented Sree Balaji College of Nursing:
Ms. D. Jefia Arputham – I Year M.Sc. Nursing (Child Health Nursing)
Ms. D. Shalini – III Year B.Sc. Nursing
Ms. Jency – III Year B.Sc. Nursing
Ms. Sweatha E – III Year B.Sc. Nursing
Ms. Charulatha – III Year B.Sc. Nursing

Key Takeaways

The CME highlighted the importance of **early integration of paediatric palliative care**, compassionate communication, interdisciplinary collaboration, and family-centred support to improve the quality of life of children with life-limiting illnesses. The programme significantly enhanced participants' knowledge and clinical understanding, strengthening their ability to provide holistic and compassionate nursing care.

MALAVIYA MISSION TEACHER TRAINING PROGRAMME (MMTTP) – APRIL 2026

Faculty Successfully Complete Online Faculty Development Programme

Faculty members of Sree Balaji College of Nursing, Chennai, successfully completed the Malaviya Mission Teacher Training Programme (MMTTP) on "Ecology and Environmental Sciences", conducted in online mode from 15 April 2026 to 21 April 2026.

The programme, organized under the Malaviya Mission Teacher Training Programme, aimed to enhance faculty knowledge on ecological sustainability, environmental conservation, and the integration of environmental sciences into higher education. The training encouraged innovative teaching practices and strengthened the commitment of educators towards sustainable development and environmental responsibility.

A total of 13 faculty members from the Departments of Paediatric Nursing and Community Health Nursing successfully completed the programme and were awarded certificates.

Faculty Members Who Successfully Completed the Programme

Department of Paediatric Nursing

1. Mrs. V. J. Binipaul
2. Mrs. D. Tamilselvi
3. Mrs. R. Bindhiya
4. Mrs. Ariya S. Kurup
5. Mrs. Punitha K.
6. Mrs. P. N. Anjani
7. Mrs. V. Prathipa

Department of Community Health Nursing

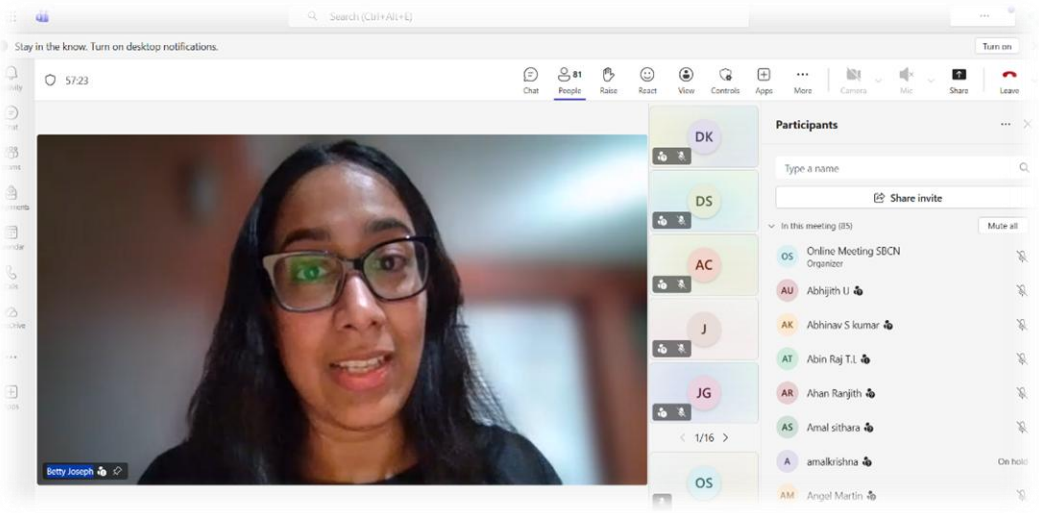

1. Mrs. Dhanalakshmi B.
2. Mrs. Yashoda
3. Dr. Vijayalakshmi
4. Mrs. Uma Maheswari
5. Mrs. Elizabeth Rani C. D.
6. Mrs. Gayathri M.

Programme Highlights

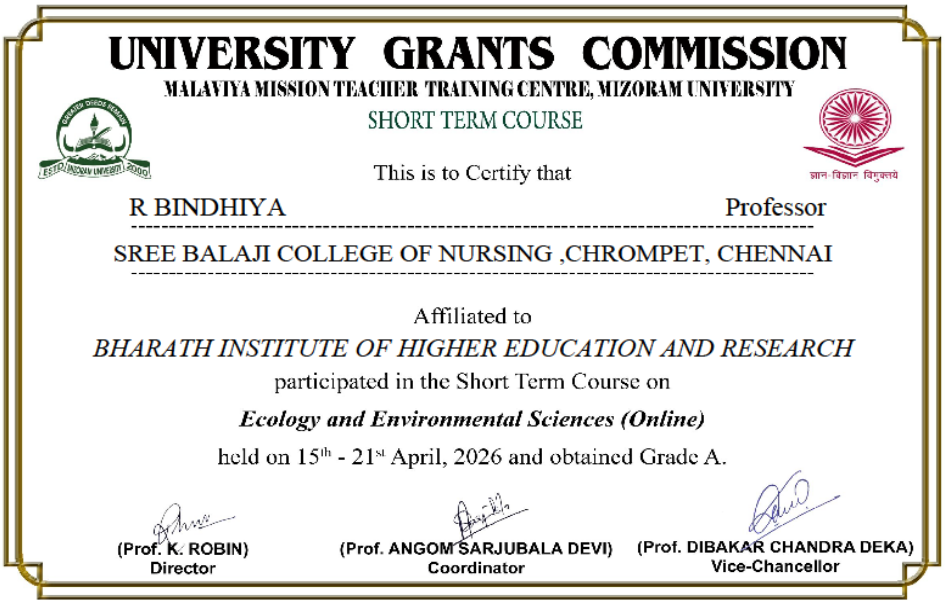

- ★ Online Faculty Development Programme
- ★ Course Duration: 15–21 April 2026
- ★ Course Title: Ecology and Environmental Sciences
- ★ 13 Faculty Members Successfully Certified
- ★ Focus on sustainability, environmental awareness, and innovative teaching practices.

Outcome

The successful completion of the programme reflects the institution's commitment to continuous professional development, academic excellence, and environmental sustainability. The knowledge gained will further enrich teaching, research, and community engagement initiatives, contributing to quality nursing education.

COLLEGE PROGRAMMES

EARTH WEEK CELEBRATION – PLEDGE TAKING CEREMONY

Date: 27 April 2026

Venue: Auditorium, Sree Balaji College of Nursing

Organized by: NSS Unit

Celebrating Earth Week 2026

As part of the Earth Week Celebration (22–29 April 2026), the NSS Unit of Sree Balaji College of Nursing organized an Earth Week Pledge-Taking Ceremony on 27 April 2026 to promote environmental awareness and encourage sustainable living among students and faculty.

The programme commenced with an introduction emphasizing the significance of Earth Week and the collective responsibility of protecting our planet. Dr. V. Hemavathy, Principal, Sree Balaji College of Nursing, administered the environmental pledge and inspired students to become responsible citizens committed to building a greener and more sustainable future.

Environmental Pledge

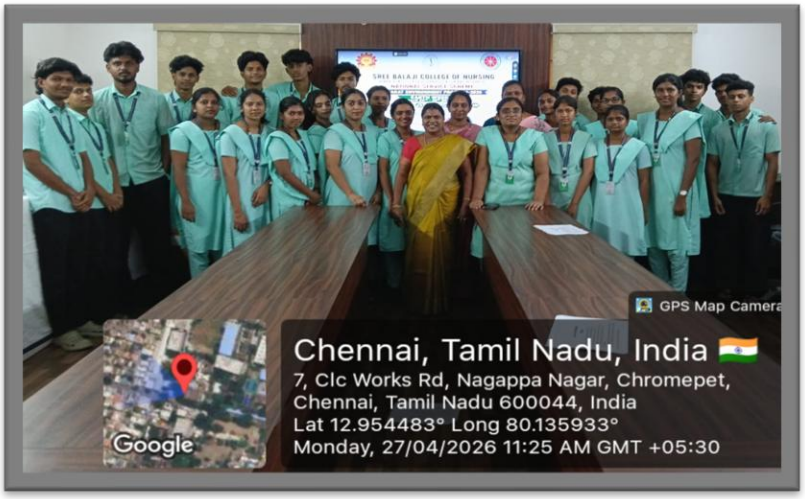

Participants pledged to:

- ★ Protect natural resources and biodiversity.
- ★ Reduce waste and minimize the use of plastics.
- ★ Conserve water and electricity.
- ★ Plant and nurture trees.
- ★ Promote environmental awareness and sustainable practices in the community.

The ceremony witnessed enthusiastic participation from students and faculty members, reflecting the institution's commitment to environmental stewardship and social responsibility.

Dr. V. Hemavathy (Dean cum Principal)administering the Earth Week Environmental Pledge

Collective commitment towards a greener and sustainable future

Outcome

The programme successfully reinforced the importance of environmental conservation and motivated participants to adopt eco-friendly practices in their daily lives. The event concluded with a call to continue protecting the environment beyond Earth Week, contributing to a cleaner, healthier, and more sustainable future.

SREE BALAJI COLLEGE OF NURSING

Sree Balaji College of Nursing was established in the year 1992, under Sri Lakshmi Ammal Educational Trust. Government of Tamil Nadu sanctioned permission to start B.Sc. Nursing degree programme for intake of 40 students per year. (Govt. of Tamil Nadu G.O.M.S.No.772/Health, Dt. 03.07.1992). now the intake per year is 100. College is recognized by Indian Nursing Council, New Delhi and Tamil Nadu Nurses and Midwives Council and it is affiliated to Bharath institute of Higher Education and Research University. College has collaborative arrangements with various other tie-up Hospitals and Community Health Centre to cater to the needs of the students.

COURSES OFFERED

Sree Balaji College of Nursing approved by the Indian Nursing Council and Tamil Nadu Nurses and Midwives Council and affiliated to Bharath institute of Higher Education and Research University; Chennai offers the following courses.

Collage is offering Bachelor of Science in Nursing and offers Master of Science of Nursing course with specialization in Medical Surgical Nursing, Child Health Nursing, Maternity Nursing, Community Health Nursing and Mental Health Nursing.

1. BACHELOR OF SCIENCE IN NURSING -B.SC. (NURSING)

Programme is 4 years course (Semester)including internship

2. MASTER OF SCIENCE IN NURSING -M.SC.(NURSING)

Programme Is 2 Years Course. We Have 5 Branches Of Study In M.Sc., (Nursing)

BRANCH - I: MEDICAL SURGICAL NURSING

BRANCH - II: PAEDIATRIC NURSING

BRANCH – III : OBSTETRIC & GYNAECOLOGICAL NURSING

BRANCH – IV : COMMUNITY HEALTH NURSING

BRANCH – V : PSYCHIATRIC NURSING

3. M.SC.(N) NURSE PRACTITIONER IN CRITICAL CARE NURSING (NPCC)s

4. POST BASIC B.SC NURSING

Programme Is 2 Years Course.

Available College Facilities

The College is situated in beautiful surroundings in a spacious ground with all infrastructural facilities. It has spacious auditorium, lecture halls, staff rooms, well equipped laboratories, spacious and well-equipped library, including Hostel facilities. At present College has1, 500 bedded parent Hospital at Chromepet, Chennai with all the specialities.

HOSTEL FACILITIES

The college has separate hostels for men and women. The hostel is available for boys and girls. Comfortable single, double and triple bed rooms are available in the hostel. Tasty and nutritious food is served in the dining hall. You can opt for either vegetarian or non-vegetarian food. Foreign students can order food according to their preference.
